Faculty Positions - Department of Chemistry, National Cheng Kung University, Taiwan

The Department of Chemistry at National Cheng Kung University (NCKU) invites applications for three or more full-time faculty positions at the Assistant Professor level or higher, with appointments expected to begin on February 1, 2027.

We welcome outstanding scholars who are committed to conducting cutting-edge research in any area of chemistry. Candidates with postdoctoral research experience and the ability to teach in English are especially encouraged to apply.

To apply, please submit the following materials by mail (including email):

1. Cover letter
2. Curriculum vitae (You can find the suggested form on the [NSTC website](#). In the proposal document (NSTC personal information form), candidates should specify their research fields and the level of faculty position they are applying for.)
3. Copies of qualification documents (including Ph.D. diploma, graduate, and undergraduate transcripts)
4. A publication list and copies of publications from the last five years
5. Three letters of recommendation (one of which must be from the applicant's Ph.D. advisor). Letters may be sent directly by referees either by postal mail to the Faculty Recruitment Committee or by email to the respective field coordinators by August 21, 2026.
6. Teaching statement (Candidates should specify the courses they are qualified to teach and provide outlines of these courses.)
7. Research statement (including an estimated start-up fund, including instrumentation and facility needs)
8. Any additional materials that may support your evaluation

The deadline for sending your application materials to the following address is August 21, 2026 (postmark serves as proof):

Department of Chemistry
Faculty Recruitment Committee
National Cheng Kung University
No. 1, University Road, Tainan City 701401, Taiwan

Applicants are also required to email electronic copies of their application materials to the appropriate field coordinator no later than August 21, 2026. Late or incomplete applications will not be considered. Submitted materials will not be returned.
